## Arrowhead Ski Race

On March 1st, Irwin was proud to send 22 students to the Arrowhead Park Cross Country Skiing Race. Students from Grades 1 to 8 participated. We had lots of parent volunteers cheering on our team and all students had a lot of fun. A special congratulations to James L. who placed 1st and Jeremy B. who placed 3rd! Also, thank you Ms. Brown and Mr. Y for supporting throughout the season and ensuring all students had equipment for race day!

## Meet Little Foot!

This HUGE moose skull was found in Algonquin park and donated to Kinderland by our Kinder student's Dad! I'm sure you can imagine how delighted the students were!

Little Foot is its name. Kinderland learned that moose teeth are specially designed for eating plants.

Guess where most Moose are born?

**MOOSE JAW!**

## Meet Sparkles!

Thanks to Mrs. Penny Thomas for the lesson about the Marsh's Falls beavers, George and Mary and the beaver skull we have named Sparkles! We are learning about animals, habitats and structures. We will be celebrating International Beaver Day on April 7th!
